

# Scout

## For Straight Stairs

# Stannah

## The Stairlift People

Designed for efficiency and reliability, the Scout from Stannah will help you enjoy the full use of your home. The Scout meets all the quality and safety standards that set Stannah apart.

Versatility is built-in. The Scout can be installed on narrow stairs, including those with a door close to the top step. The batteries recharge constantly, so your Scout is always ready for use, even during a power outage. Thoughtfully engineered for ease-of-use, the Scout features a wide seat, large footrest, full-length armrests and remote controls on both landings, so you can also use the chair to carry laundry or groceries up and down the stairs.

The Scout: a perfect blend of quality and value.

**Enjoy the full use of your home with the Scout stairlift from Stannah**

# Scout 600 Key Features

## Adjustable seat height

Set during installation so that your stairlift is comfortable and tailored to fit your needs.

## Ergonomic controls

Conveniently located on the end of the armrest and designed for arthritic fingers.

## Swivel levers

Use the levers to turn the chair, so that you can get on and off your stairlift in the safest position at the top of your stairs.

## Remote controls

Located on both landings, allow you to call the lift up or downstairs.

## Upholstery

Comfortable, wipe-clean upholstery

## On/Off switch

Conveniently placed On/Off switch prevents the chair from moving unexpectedly.

## Seat belt

Attached to the chair for added security. (Seat belt not shown)

## Rated load

One person, 300lbs

## Safety sensors

Stop the stairlift if it meets an obstruction.
