Flat Panel

Shaker Panel

The Flat panel car offers an unlimited opportunity to be customized and trimmed right in your home to complement your style.

Modeled after the simplistic design and rugged durability of the Shaker culture, the Shaker panels embellish the elevator with their clean lines and subtle nuance.

Recessed Panel

Providing flat central panels adorned by a raised border, the Recessed panel will add depth and elegance to any elevator.

Raised Panel

Manufactured by skilled craftsmen, the sweeping contours in the panels, accented by offset border trim, makes the all hardwood Raised panel car stand out.

Two and Three Speed Doors

The look and convenience of a commercial elevator, designed with custom finishes to match your home.

- Standard Finish: Beige
- Also available in Brushed Stainless Steel or powder-coated steel
- Framed Glass Panels: Available with clear safety glass; not currently offered on landing doors; standard finish for framed glass panels is Black

Symmetry Safety 3-Panel Car Door

The Symmetry Safety 3-Panel Car Door is one of the most reliable residential elevator car doors on the market.

- Standard Finish: Black
- Also available in Stainless Steel or powder-coated steel
- Vision Panels: Available with Clear or Smoked acrylic

Enterprise Collapsible Gate

The Enterprise Collapsible Gate is designed and manufactured to comply with current codes. Choose from a wide variety of attractive finishes and colors to ensure the perfect fit.

- Available in Solid Brass (brushed or polished), Stainless Steel (brushed or polished) or powder-coated steel
- Available Configurations: Classic, Pearl and Diamond and Pearl
- Strong, sturdy, functional construction

Accordion Door

The Accordion Door is offered as a standard feature on our residential elevators.

- Laminate Panels: Available in Light Oak, Birch or White
- Additional Panel Options:
 - Laminate panels in Dark Oak, Chalk, Antique White, Cherry, Walnut or Black
