The Traditional Look

The look and convenience of a commercial elevator, designed with custom finishes to match your home.

This brochure is intended for INFORMATIONAL PURPOSES ONLY.

Standard Features

- Light Curtain
- Power-Operated
- Clear Openings: 31½", 35½", or 36"
- Clear Heights: 78¾", 84⅝" or 94½"
- Standard Finish: Beige
- Zero Contact Door Re-Open: If the entrance is obstructed the door will remain open or re-open without making contact with the obstruction. In certain circumstances this feature may be eliminated to meet code requirements.
- Landing Doors: Locked when the car is not at the landing
- Door Operator: Mounted to the car so the landing door cannot automatically open if the car is not at the landing

Overhead Requirements

- Two Speed Doors
 - Car and Landing Doors: Clear height plus 19¼"
 - Car Door Only: Clear height plus 18¼"
- Three Speed Doors
 - Car and Landing Doors/Car Door only: 101" (only available for clear height of 78¾")

Options

- Framed Glass Panels: Available with clear safety glass; standard finish for framed glass panels is Black
- Car Doors: Available in Brushed Stainless or powder-coated steel
